

GREATER ATLANTA CHRISTIAN SCHOOL

Lower School Supply List

Our returning families know that great feeling of not having to rush to the stores to search for school supplies! For our new families, you can skip the lines at the stores knowing your child's supplies are provided.

There are only a few things we are asking parents to provide this school year:

- a sturdy backpack that will carry your child's MacBook or iPad which will go home with students each day for the time being
- a re-usable water bottle
- healthy (nut-free) snack each day

Please note that teachers may ask for additional grade level specific supplies at the beginning of the school year.
